School Games Award

We are delighted to announce that we have achieved the School Games Mark Award at Gold Level for the 2017/18 academic year.

The School Games Mark is a Government led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

Class 2

To encourage independence we would ask that all children in Class 2 make their way to their classroom in the morning by themselves. As mornings are a very busy time in school we would ask that should a parent like to make an appointment to see Mrs Guest to please see Mrs Yates in the office, these appointments can take place after school. If you have a message to pass on to Mrs Guest please see Mrs Yates in the office.

Safeguarding

Could all parents/carers entering the school building make themselves known at the office.

Reminder - The Fire Fighters Charity

The Fire Fighters Charity are collecting clothing on Friday morning. Please leave any donations at morning drop off under the log cabin in the playground. There are collection bags available in the office if you need one.

Premier League Primary Stars

We have been buoyed at the start of the new term, with the delivery of a free Premier League Primary Stars equipment pack. Stocked full of items including Nike match footballs, training bibs and numbered and lettered floor markers, the Premier League equipment pack will aid teacher delivery of active lessons across the curriculum. The equipment pack was awarded following Mrs Brook's successful application for last year's Premier League Primary Stars Kit and Equipment Scheme.

Violin Agreements

Please return your violin agreements if you have not already done so. Children cannot bring their violins home to practice until the agreement has been received by school.

FOHS - AGM

The Friends of Holme School annual general meeting will be held on Wednesday 3rd October at 8pm in school. Please come along to find out how you can help support the school.

Holme Institute

An exciting vision has been developed for the future use of the Holme Institute. A Trust has been set up to manage the project and on Saturday September 22nd the group are holding an Open Day. Between 10.00 a.m. and 4.00 p.m. the building will be open for visitors to drop in at any time they like. It is a fascinating building, so whether you are just curious about the building or want to hear more about the plans for its use, you are cordially invited by the Trustees to visit. The developing vision provides plenty of opportunities for school involvement and would provide enrichment of opportunities for our pupils. The drop in day on Saturday will also provide opportunity to contribute ideas and thinking to these future plans.
